Dear Prospective MYC Member,

Enclosed please find a Credit/Debit Card Authorization Form to be completed and returned with your membership application. The MYC Board of Directors has approved policies in regard to house charge accounts. We are requiring all members to maintain a credit card on file with MYC in order to have charging privileges.

Following is our credit policy, effective January 1, 2014:

1. All new members will be required to keep a credit card authorization on file with the business office of MYC.
2. Member charges will continue to be invoiced monthly and invoice balances can continue to be paid by check or if authorized, will be billed automatically to your credit card. Cash payments will still be accepted as well.
3. Account balances will continue to be charged 1.5% interest until the account reaches 30 days past due (60 days from billing).
4. Account balances reaching 30 days past due will be charged a 3% processing fee and the account balance will be automatically charged to your credit card of record.
5. Accounts that do not have a valid credit card authorization will begin to accrue interest at 3% per month after 30 days past due.
6. Any account with a balance in excess of \$250 and more than 30 days past due, not receiving at least a 10% payment of the outstanding balance, will be charged a \$25 per month late payment fee in addition to the above mentioned financing charges.
7. Banquet charges will be billed separately and must be paid within 30 days. Unpaid banquet charges will be subject to 3% per month interest charge and late payment fee as outlined above.
8. Membership Dues and slip fee balances will not be subject to the above but will be subject to the late payment procedures outlined in the Handbook.

For the vast majority of members these revised policies will have zero impact other than to make your club more efficient and financially sound. Our goal with items 4-7 above is to reduce our accounts receivable beyond 30 days past due to zero. As a not for profit organization we simply do not have the financial resources to carry debit balances for members for extended periods of time.

Please complete the enclosed credit card authorization form and return with your membership application. Do not email unless using encryption or password protection. Credit Card information collected will be kept in an encrypted and secure electronic environment.

Please feel free to contact general manager Kim Nguyen or business manager Sue Peters with any questions
