1. THE LICENSE

Muskegon Yacht Club, Inc. ("MYC") does hereby grant to Licensee a license (the "License") to use the slip identified in the sidebar (the "Slip"), from May 1st through October 31st of the identified year, subject to the terms and conditions detailed herein. The License is a non-exclusive, revocable license to use the Slip during the term of the License.

2. FEES AND DEPOSIT

Licensee agrees to pay MYC the fee identified in this License (the "Slip Fee") at the time Licensee signs this License, or at MYC's sole discretion, such other time as designated by MYC in writing. Payment of the Slip Fee to MYC is a precondition to Licensee's use of the Slip.

3. ACCEPTANCE AND USE OF SLIP

Licensee accepts and acknowledges that the Slip is provided in its "as-is" condition. Licensee shall conduct its use of the Slip in compliance with all governmental laws, ordinances, rules, regulations, and ordinances, including without limitation all MYC rules (the "Red Book") which are incorporated herein by reference. Licensee shall make no alterations, additions, or improvement to the Slip without the written permission of MYC. Licensee may not assign or sub-license any portion of the Slip. Licensee shall return the Slip to MYC upon the expiration of this License in as good a condition as upon the commencement of the License term.

4. REVOCATION

MYC, in MYC's sole discretion, may revoke the License at any time for any reason not prohibited by applicable local, state and/or federal law. Licensee's sole remedy if the License is revoked is return of that limited portion of the Slip Fee as further described in the Red Book.

5. INDEMNIFICATION

Licensee shall indemnify and hold harmless MYC from any and all liability for loss, damage, injury or other casualty to persons or property caused or occasioned by or arising from any act, use or occupancy or negligence by or of Licensee or any of Licensee's agents, servants, guests, visitors, licensees or employees occurring during the term of this License or otherwise. In case any action or proceedings be brought or threatened against MYC, Licensee shall be responsible for all actual costs and fees, including actual attorney fees and litigation expenses, in defending and or resisting such action. MYC will not be liable for any direct, indirect, special, punitive, incidental, exemplary, or consequential damages, or any damages whatsoever, even if MYC has been previously advised of the possibility of such damages, whether in an action under contract, negligence, or any other theory, arising out of or in connection with this License.

6. PROOF OF INSURANCE

At all times during the term of this license, Licensee shall carry in full force and effect with insurance companies authorized to do business in the State of Michigan, policies of liability and property damage insurance with limits of at least \$300,000.00 per occurrence. The insurance shall cover any and all damage done to MYC real and personal property, the Slip, and any other boats or equipment. Licensee shall not be entitled to use the Slip until proof of insurance satisfactory to MYC (e.g. a declarations page) has been provided to MYC by Licensee

7. GENERAL

This License and the relationship between Licensee and MYC are governed by the laws of the State of Michigan, excluding any applicable conflict of law provisions. All litigation, court proceedings, arbitration proceedings, mediation proceedings, lawsuits, court hearings and other hearings initiated by Licensee must and will be venued exclusively in Muskegon County, Michigan. If any part of this License is determined to be invalid or unenforceable pursuant to applicable law including, but not limited to, the disclaimers and liability limitations set forth above, then the invalid or unenforceable provision will be deemed superseded by a valid, enforceable provision that most closely matches the intent of the original provision and the remainder of this License shall continue in effect. This License constitutes the entire License between Licensee and MYC and it supersedes all prior or contemporaneous communications and proposals, whether electronic, oral, or written, between the Licensee and MYC. Scanned, faxed, and/or photocopied signatures shall have the same force and effect as an original signature. By signing this License, Licensee certifies that he/she is 18 years of age and acknowledges receipt of a copy of this License.
