

Welcome to the Muskegon Yacht Club Virtual Trophy room. This room is a work in progress with only the barest of information available on a large group of trophies that reside at our club. Some of these trophies honor sailing skill, sportsmanship and volunteer service. The donors have been competitors, friends, family and past officers of the club. We have only been able to put the briefest of history with each trophy, in some cases only the name of the individual winners. We look for your assistance in finding out the stories behind much of this history and would appreciate your help in filling in the details.

Sailboat racing has changed over the years with new classes emerging and so some trophies have been reassigned to different events. This keeps these beautiful items in constant use.

The Muskegon Race Committee welcomes all corrections and additions to the Virtual Trophy Room.

Judy Miller Memorial Trophy

[BACK TO TOP](#)

Judy was a life member at MYC with thirty five years of service. She was the first female Commodore, organizer of the women's skippers class, commodore of the Singlehanded Society, and chaired the Regatta Committee for MYC for many years. As the Regatta Chair she was involved in the organization of the Melges 24 Regatta, the Queens Cup and the Commodores Cup, among many other events. Judy was the face of MYC to members, friends and visitors who came to the yacht club for our sponsored events. But most of all, Judy was a good friend. We at MYC will miss her dearly.
