COMMODORE'S COMMENTS:

Spring has not sprung yet. I'm sure it will get here soon - but it's never soon enough for the sailors in our area this time of year. Spring is full of seasonal rituals to get the boat ready for launch and in 5 weeks our Wednesday night racing begins on May 16th. It's also always great to see all the out-of-town members around the club again after a long winter. This past month, the club has been extremely busy with an excellent St. Patrick's Day Party hosted by Bill Iddings (see picture page), a sold out Wine Dinner and a Sunday Jam Session. The Jam Sessions are led by volunteer members, Tom Udell, Rob Rafson, Greg May and Bob Butcher. What's neat about this type of volunteering is that they not only provide excellent live music at the club, but they draw people to the club and the food and drink sales greatly increases on the Sunday afternoons they perform. Social Chairwoman, Rome Palmer came up with the idea for Jam Sessions a couple of years ago, and it's taken off and been a huge hit. We have also had some productive Dock & Yard & House meetings and approved the 2018 Budget. We have a number of indoor & outdoor improvement projects planned for around the club this year too. This should make us all thankful that spring is just around the corner and very soon we will all be enjoying summer life at MYC – specifically sailing, friendly camaraderie and fun! Thanks to all our volunteers and employees for their hard work and service to our great club! Highlights of events planned for April include:

Saturday, April 21st

MYC Open House

from 12:00 pm - 5:00 pm

Join MYC to receive a special membership incentive!

Live music from Brett Dame from 1 pm to 5 pm

Help Spread the Word!

The Membership committee is gearing up to welcome many new members and there are special events planned for all the new faces that we expect to see around the club this summer:

Saturday, April 28th

Volunteer Work Day aka Launch Day!

9:00 am - Coffee and Donuts will be available!

Dock & Yard Volunteers needed to help set up the outside areas for the summer season. Join us for this annual tradition!

Saturday, April 28th

Soup and Chili Cook Off!

Enter for your chance to win!

Deliveries from 11:30 am - 12:00pm

Tasting starts at 12:30 PM. Join us for an afternoon of fun!

The Social committee is organizing this and some other great events coming. More details to follow.

Best regards,
Bud Ainsworth
Commodore

About the cover artist:

Kayleigh Shelagowski is 9 years old and is in the third grade at Mona Shores Lincoln Park School. She is the granddaughter of life members Cassy & Gary Marchido. Her favorite subject in school is Destination Imagination (DI), and her school team is going to the state meet. Her favorite things to draw are flowers and horses, but was commissioned to draw our cover sailboat this month. Kayleigh also likes to do different types of paintings and dancing

lessons too. She is thinking when she gets older she might like to become a teacher. She is looking forward to summer and going to Camp Henry for horseback riding lessons. She also likes to fish and sail with her cousin Emily and her grandparents on their boat, "Woolly Bully". She likes the hot dogs, "the yacht club" and BLT wraps best at MYC and coming to the pool and beach of course. Great job and thank you very much Kayleigh!

MYC Committee Meeting Reminders:

- Dock & Yard Committee – 2nd Saturdays at 9:00 am
 House Committee – 2nd Saturdays at 10:00 am
 Membership Committee – 2nd Saturdays at 11:00am
 Social Committee – as needed
 Board Meeting – 3rd Thursdays at 7:00pm

Juniors Committee Report:

REGISTER NOW FOR 2018 SAILING SCHOOL CLASSES

The dates, information and registration forms for 2018 Sailing School classes are now posted on the MYC Sailing School web site at www.mycsailingschool.org

The Sailing School's Learn-to-Sail classes are designed for both beginner and experienced youth sailors age 6-18. There are also evening classes for adults, teens and families. Classes are taught by trained, certified instructors on Optimist, Butterfly, Laser, and JY15 sailboats.

Please mark your calendars and make plans for your children, grandchildren and their friends to take advantage of these great Learn-To-Sail opportunities!

MYC JUNIOR RACE TEAM SCHEDULE FOR 2018

In addition to the Learn-To-Sail opportunities offered by the MYC Sailing School, youth sailors can expand their sailing experience by joining the MYC Junior Race Team.

Both experienced and beginner sailors are welcome. Weekly practices and participation in several youth regattas help young sailors improve their sailing skills,

build confidence, and learn the importance of personal responsibility as part of a supportive, close-knit team.

Information and registration forms for the MYC Junior Race Team's 2018 activities are now posted on the MYC web site at www.muskegonyachtclub.org/myc-juniors/

2018 WEST MICHIGAN YOUTH SAILING ASSOCIATION REGATTA DATES

The MYC Junior Race Team's 2018 regatta schedule will include attending four WMYSA "Friday" regattas. At these regattas, both beginner and experienced sailors ages 7-18 gather in one place for the day to compete in separate fleets of Optimists, Butterflies, Lasers and Club 420s.

Each of these events attract well over 100 youth sailors from nine different West Michigan youth sailing programs including St Joseph, South Haven, Saugatuck, Holland, Spring Lake, Muskegon, White Lake, Gull Lake and Grand Rapids.

These large, well-run regattas give youth sailors the opportunity to explore other lakes, improve their sailing skills, earn awards, enjoy a fun meal and make new friends from around the region. The 2018 dates for these regattas will be:

June 29, 2018 at Gull Lake

July 13, 2018 at Spring Lake

July 27, 2018 at White Lake

August 10, 2018 at Macatawa Bay

2018 ULRICH MEMORIAL JUNIOR REGATTA

The 2018 Ulrich Memorial Junior Regatta will take place on August 18 at MYC. This event marks the end of the summer sailing season for the MYC Juniors and will, once again, be conducted as part of the Harbor Hospice Regatta. Mark your calendars now and look for more details in future issues of the Portwatch.

OTHER 2018 DATES FOR JUNIOR SAILORS

- July 17-19 Butterfly Nationals at Glen Lake YC
- Aug 1-4 West Michigan Yachting Association "Westerns" at MYC
- Oct 6-7 US Sailing Junior Olympic Festival at Macatawa Bay YC
-

Greetings,

One of my final duties as “Past Commodore” is to preside over the Nomination Committee for Directors and Officers of MYC for the 2018-2019 year. These elections happen at the annual meeting in October which seems a long way away but with the busyness of the season the nomination process is often a last minute endeavor. I hope to change that by forming my nomination committee this spring and will be asking for nominations shortly thereafter.

We accomplish much at MYC with limited resources. A big part of why we can do this is that our members make the commitment to support the club and volunteer their time so generously. Whether it be participating in work bees, being active on committees, or joining the Board of Directors, our members working in conjunction with our fine staff, make MYC function. We simply could not do what we do for anywhere near the cost level we have, without our volunteers.

We are all busy, you may not live in Muskegon, and it is never a perfect time but I would encourage everyone to consider stepping forward and getting more involved with the club. Join a committee, run for a directorship position, when asked to get involved, say yes. We need your help and support to continue to improve and grow MYC.

Nomination Committee will be announced next month. I look forward to receiving nominations!

Have a great April,

Larry Taunt

Greetings fellow MYC Members,

As nearly all of you may have noticed, we have been able to again accomplish a considerable amount of needed work around the MYC campus for the fourth consecutive year. This work has again been made possible by the close fiscal stewardship of your past and current board of directors, the continued funding of the Capital Improvement Fund (CIF) by you as members and the work managed and/or performed by a dedicated MYC staff and member volunteers. As we exit FY 2017-18 at the end of April and enter our next twelve (12) month fiscal year, we are again doing so on a sound financial footing, albeit maybe not as firm as last year. In addition to the considerable amount of work accomplished with Capital Improvement Fund (CIF) monies, we, as a club, have also been able to accomplish and pay for additional improvements, needed general repairs and the unforeseen repairs to the attenuator that were not covered by our insurance via our general revenues. In setting the budget for FY 2018-19 we had to consider the “carry-over” loss from late last FY that we experienced due to repeated issues with our attenuator system. Over the past three years the repairs to the dock system have totaled \$94,048. Our strong financial performance over the past several years has allowed us to cover these mostly unanticipated expenses out of our general revenues.

As we prepare to enter our next “Seasonal” Budget Year, May 1st through April 30th, I take pleasure in presenting the attached recently approved Muskegon Yacht Club 2018-19 Budget in accordance with our MYC By-Laws.

MYC continued to again operate within the majority of our set budget constraints as we experienced a solid financial performance from the operational perspective throughout the past twelve (12) months. We did this by:

1. Adhering very closely to the established budget while continuing our profitable “House” operations.
2. Making effective and judicious use of the member approved CIF funding.
3. Continuing our efforts in collections from those MYC members who have been carrying chronic past due account balances.

As the board and your committee members were working on the budget, it again became abundantly clear that the previously projected increases for line items such as:

- Mandated increases in hourly wages for some our staff.
- Increases in our insurance, utilities (gas & electric), license fees and food & beverage costs ALL came to pass.

Due to our sound financial performance we have so far been able to absorb these increases without any impact upon our current dues structure. Rest assured your MYC Board of Directors remains committed to working together to ensure we do all we can to continue to operate within our current dues structure as long as possible.

With the MYC Board being the stewards of the CIF I feel it is important to review some of the projects vying for CIF funding. Although we have neither finalized the full scope, cost nor timing of these projects, they are worthy of noting (in no particular order or priority):

1. The new cable fencing around the pool deck still needs to be completed with the addition of a “top rail” around the periphery.
2. The coolers behind the bar have been averaging about \$2,000. per year in repair costs. Based upon this and the available improved efficiencies a new cooler would offer, this item, although costly (yet to be determined), is high on our list of projects to be undertaken.
3. MYC Building Windows:
 - a. With the recent and almost completed window project in the bar and Round Room areas, we are now evaluating the need to do a similar project in the Spinnaker Room where we have had known water intrusion for a number of years.
 - b. There are still numerous windows in the Lakeview Room that have lost their thermal seal integrity, needing our attention. We are currently in the midst of determining how best to address the issues and establishing costs. Due to the scope of these projects we currently plan on getting these projects started right after Labor Day 2018.
4. The seawall and concrete cap at the dry sail hoist area used by our MELGES fleet is being undercut by the wave action and the high water levels. We are also experiencing what appears to be serious undercutting

of portions of our sidewalk near the “capstan” area. Our Dock & Yard Committee (D&Y) is investigating how best to address both of these issues. They feel it will likely be more expensive than the budgeted numbers that were requested and approved for D&Y to expend during FY 2018-19 in dealing with this issue.

5. The property line fencing along Thompson Ave, NNW of the club, remains an “eyesore” for not only us, but our neighbors as well. This is an item up for replacement this year, provided funding is available.
6. The Junior Sailor corner of the campus remains a reoccurring issue as it continues to silt in due to wave action and natural sand migration. We routinely expend funds to dredge this area for both safe entry from seaward by our boaters coming into the inner slips, as well as for the use of this area by our MYC Junior Sailors. We are looking at how best to provide a “long term” solution in stabilizing this area. No cost estimate or timing is yet available.
7. Portions of the roof of the Octagon Building still need work to stop the water intrusion.

As you can see, the aforementioned projects will likely consume the majority of our current available CIF fund balance. There are a couple of other projects under consideration, however, that will be undertaken as available remaining funds are better known. With this being the beginning of our new FY, I have made a recommendation to the MYC Board that we use constraint in its CIF “spending approvals” for certain of those aforementioned projects until later in the FY. I feel it is only prudent in order to not get financially strapped in the event we get hit again with unanticipated expenses that we need to cover for repairs our dock system. We trust the significant and meaningful improvements made to date in the material condition of our MYC campus will continue to garnish your continued future support of the CIF. Please bear with us if you do not see some of your pet projects being undertaken during the summer months. One way to get some of these projects that may be delayed or not get completed may be for some of us members to undertake them on a volunteer work group basis during the time you might be otherwise looking for something to do.

If you have any questions regarding this year’s budget, or any aspect of the MYC finances, please feel free to contact either me or Sue Peters in our

business office and we will do all we can to get them answered while at the club.

Respectfully submitted,
E. Dean Runk, MYC Treasurer

News from the General Manager:

Happy Spring MYC friends! Hope winter treated you well! Just think, summer is right around the corner -finally.

Registration is now open for the 2018 racing season on Yachtscoring. We are down to only 8 slips left for the year. Please contact me for additional information if you are interested in renting a slip.

The last Wine Dinner of the 2018 season will be held on 4/26/18 at 6:30 pm. Reservations are required. If you have not attended one yet, please do so. This is a perfect way to meet some of your fellow members, eat some unique and delicious cuisine, and learn about our wine pairings with Michael Smith, Certified Sommelier.

Join us for a couple of MYC annual traditions in April: Spring open house on 4/21, Launch day on 4/28 at 9 am, followed by our soup and chili cook off at 12:30 pm. Look for future correspondence on our many regattas, parties, Mother's Day brunch, power boat weekend, and much much more! It is gearing up to be a great summer on the lakeshore.

Reminders: Please bus your tables when you are finished dining and make sure to put all glassware on the bar top for the bartenders. Don't forget to sign your tab out come the end of your visit. This helps ensure accuracy with our billing.

Please see me with any questions, comments, or concerns. I do not view feedback as a negative aspect, rather a chance to improve our services to you. We want each member to leave happy and satisfied with their visits. I am a very approachable person and would love to hear from you.

On a personal note, we are taking our first big family vacation to Disney at the end of April. If you have any tips or suggestions that would help me in making this trip a memorable one, please let me know. Not only will this be my kids first time to Disney, but mine as well!

Wishing each of you well,

Kim Nguyen
