COMMODORE'S COMMENTS:

Greetings Members,

This edition of the Portwatch includes information on a proposed Bylaw amendment. I did not participate in drafting the amendment, but I think it proposes an important and useful change to how we elect our Board. A membership meeting to discuss the proposal is scheduled for Saturday, August 3, 2019 at 10:00 a.m.

The primary focus of the amendment is to allow annual elections to be held via secure electronic voting. I think this is an important and all-around “good idea” because our current election system typically generates a voter turnout of less than 10%.

Last year's annual meeting is a good example of why our must-be-present-to-vote system is frankly, a complete failure. Our annual elections are held on a Friday night in October at 7:30pm. For a host of reasons, including many out-of-town members and October high school/college sporting events, attendance at our annual meetings is—to be kind—sparse.

At the 2018 annual meeting, we had a runoff election for a general board member position. We had approximately 230 voting members eligible to vote at that time. Keeping in mind that our Board has eleven members and boat owners receive two votes per membership, you are hopefully both disappointed and surprised to learn that the total number of votes cast between the two candidates was less than 40. Without counting heads and running a bunch of statistics to help you understand how poorly attended this meeting was, I think it is enough to say that we typically end a sparsely attended annual meeting and go downstairs to a standing-room-only bar. This is good for business, but ultimately bad for our organization. It has been this way for as long as I have been on the Board.

I've been on the boards of many organizations. A common thread among the successful ones is being committed to making it as easy as possible for people to participate in the organization. The proposed Bylaw amendment is a good step in that direction.

See you at the Club!

Brad Fisher

-
1. My recollection of the exact total number of votes cast was 34, but I couldn't confirm that with our past secretary. In any case, I've rounded up the total number of votes to the next highest ten.
 2. If you like numbers, you may enjoy learning that our 2018 end-of-season survey about the kitchen generated more than 190 responses. We can get 190+ people to offer their opinion on the appropriate level of breading on chicken tenders. Think about that for a minute.

Special Announcement:

Special Membership meeting to discuss proposed By-Law Amendment

10 am (EDT) August 3, 2019 – Lakeview Room

Greetings,

The necessary signatures have been obtained and the Board of Directors has set a special membership meeting on Saturday, August 3, 2019 at 10 am to discuss the following proposed by-law amendment.

The purpose of the amendment is to:

1. allow electronic voting for our elections so that more of our members can participate in the election of our board of directors. Currently, you must attend the annual meeting to participate which means that in reality, only a very small

percentage of our eligible voting members participate in the process. While our current procedures were fine when the club was founded and virtually all the membership lived nearby, currently nearly 70% of our voting members do not live in Muskegon. This amendment involves significant changes to Article IV & VI of the bylaws and relatively minor changes to Article VII. It was developed in conjunction, and with significant input from the By-law committee.

2. clean up some language about when our annual and semiannual meetings take place. The current language is tied to launch and haul out day which we no longer have.

As the changes are interrelated it is necessary to approve or reject this change as a package. The purpose of the meeting is to collect input, discuss pro's and con's (which will be summarized and published), and if appropriate to amend the language as a result of the input from the meeting.

Please plan on attending!

Respectfully submitted by
Larry Taunt
MYC Treasurer (Past Commodore)

2019 WEST MICHIGAN YOUTH SAILING REGATTAS

This summer, the MYC Race Team is once again competing in the West Michigan Youth Sailing Association (WMYSA) series of "Friday Regattas".

On June 28, the MYC Race Team traveled to Macatawa Bay to compete against sailors from six other yacht clubs from around West Michigan. Over 80 kids on 68 boats competed at this regatta. The MYC sailors (in the photo below) had a great time and were the 2nd highest scoring team in the Butterfly Fleet!

Individual scores for MYC Race Team sailors at Macatawa Bay were as follows:

Optimist Green Fleet

Jazmine Nguyen 7th Place

Emilee Nguyen 9th Place

Cole Brum 10th Place

Optimist Red/White/Blue Fleet

Hugh Frisinger 11th Place

Simon Frisinger 12th Place

Butterfly Fleet

Gage Stasko 4th Place

Ben Morris 5th Place

Garrett Riehl 12th Place

Julie Lee 15th Place

Upcoming dates for WMYSA regattas are as follows:

- July 12 at Spring Lake YC
- July 26 at White Lake YC
- August 9 at Muskegon YC

IT'S NOT TOO LATE TO JOIN THE 2019 MYC JUNIOR RACE TEAM!

The MYC Junior Race Team is a great opportunity for youth sailors to engage in the sport and make lifelong friends! **The Race Team practices every week on Wednesday afternoon from 3:00pm-5:30pm.** The team is seeking lots of new sailors, especially younger kids for our Optimist fleet. Please spread the word!

2019 BUTTERFLY NATIONALS

The 2019 Butterfly Nationals will take place at Crystal Lake YC on July 16-18.

2019 WMYA WESTERNS

The 2019 WMYA Westerns will take place at White Lake YC on Aug 1-4.

PLEASE SUPPORT MYC JUNIOR PROGRAMS BY GIVING TO THE MJSA

Although they are operated by the Muskegon Yacht Club, the MYC Sailing School and MYC Junior Programs are made possible by the generous support of the **Muskegon Junior Sailing Association (MJSA)** which is a 501c3 charitable organization.

It is important to note that the MJSA actually owns the sailboats, powerboats, trailers, dollies and other equipment used by the Sailing School and Junior Programs. As directed by its mission to support youth sailing, the MJSA allows the yacht club to use all this equipment free of charge every year.

Thanks to the financial support of the MJSA, a section of the Juniors floating dock was recently replaced (due to winter storm damage) and several repairs were made to one of the Whaler powerboats that are used by the MYC Sailing School and Junior Programs.

Because this equipment is used on a daily basis throughout the summer – and because upgrades are occasionally necessary as the equipment ages - please consider making a tax-deductible donation to the Muskegon Junior Sailing Association. Your support helps make youth sailing at MYC possible!

Dock & Yard Committee Report:

The Dock and Yard Committee has had a busy spring! In spite of having to dodge raindrops and all-around bad weather, the committee was able to get what seemed like an insurmountable number of projects completed, but there is still much to do.

First of all, a big shout out to the GINORMOUS band of merry members completing the dock riser last month! What an unbelievable project with great results. Thank you everyone that helped. It could not have been completed without you.

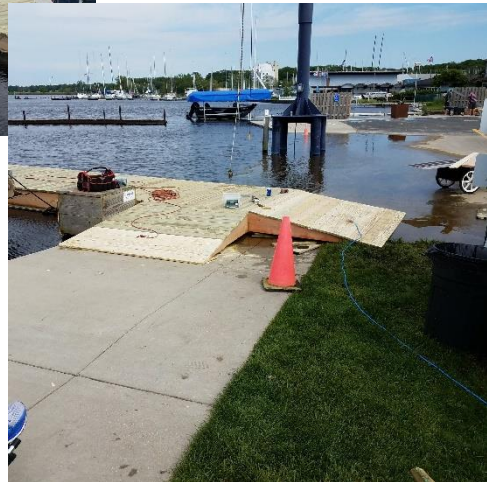

On the dock's electricity situation, Dock and Yard would like to say that at this time, progress has slowed to a turtle's pace. It is taking a huge coordinated effort to understand best long-term options, discuss short-term fixes, obtain work estimates, and juggle recommendations by the City's inspection crew. If any of the membership is interested in helping us line up the ducks, let us know. The more brains we have on this one the better.

In addition, we would like to thank all of the membership that contributed to our new flower planters! With your help, we were able to raise \$708 that went toward purchase of pots, soil, fertilizer, and flowers. A special thank you to Scott and Norma McEwen, who generously donated enough to cover an entire planter complete with flowers; and, another member family (that wishes to remain anonymous) that donated \$300 to assure we got the job done. Thank you so much! They add a lot of class to the club.

Look for the new gate between the pool and club buildings, welcome sign at the end of the dock, and the shock hazard signs around the dock ladder areas. All should all be installed soon.

Thank you,
Jill Keast

News from the General Manager:

Boy, I am so glad the weather is starting to feel more like summer. I am sure I can speak for most of us when I say I am over the grey, gloomy, rainy weather... bring on the sunshine! Despite the weather, MYC had a great month in June. Thank you to the staff and volunteers for a job well done on all events and projects.

Just a few reminders as we enter the official meteorological summer season...shoes and shirts are required when entering the club. There is to be no glass receptacles on the front lawn / pool area, and please clean up after your pets. Thank you for your help in maintaining a clean and safe environment for everyone.

The MYC Apparel case has been stocked with summer gear. Stop in and check out the nice variety of custom apparel such as hats, t-shirts, swim skirts, and youth t-shirts. And, we still have some winter gear available too: sweatshirts, fleece, and long sleeve shirts. We are looking into purchasing some custom stemless wine glasses along with beach towels. When they become available, I will let you know.

Thank you,

Kim Nguyen

Dick Rodseth Elected to LMSRF Hall of Fame

1931 to 2001

MYC Member 1985 to 2001

Richard Rodseth “Captain Dick” will be inducted into the Lake Michigan Sail Racing Federation (LMSRF) Hall of Fame on Saturday, July 27th, at the Muskegon Yacht Club.

All MYC members are welcome to be at the award presentation and visit with the Rodseth family and Vagary crew on

the 27th at 4:00 PM, with a celebration toast and tall tales to follow until 5:30 PM. Gene McCarty from LMSRF will be here to perform the ceremony.

Capitan Dick has one of the most impressive sail racing records on Lake Michigan (see back pages of Portwatch). In 1982, Dick launched Vagary, a Petersen 43. A bare hull and deck was completely built-out based on Dick’s design and Dick’s labor. Dick relocated the boat from Chicago to West Michigan in the fall of 1983 and became a member of MYC shortly thereafter.

Dick was a “Master Mariner” sailing in 51 Chicago – Mackinac races and participated in every major race on Lake Michigan. People were drawn to Dick. He always included everyone and always invited everyone, especially newcomers to get involved in the sport of sail racing. Dick introduced many young sailors the sport, five of which are current members of MYC. He was always willing to help out fellow sailors with advice, gear or loaning tools to do the job. Besides being very helpful and outgoing, he was also a very gracious loser, being one of the first to congratulate a competitor who had beaten them in a race. Dick had a true passion for the sport.

We hope you can join us.

Sincerely,

Bud Ainsworth, Past Commodore
