## COMMODORE'S COMMENTS:

Happy March MYC!

As I write this, it is officially 43 degrees and sunny outside! An awesome change from the deep freeze of just a couple of weeks ago! The snow has melted on the ice and freezes again at night, making for some great opportunities for our ice boating friends to finally get some hot laps on Muskegon lake.

Our clubhouse is open and capacity will increase from 25% to 50% on March 5th! I just want to remind everyone that the Board, the House Committee, and our Staff have been and will continue to operate with a culture of compliance with MDHHS, County Health Department, and MIOSHA regulations. Trust me, **NOBODY** wants to operate this way but it is the reality right now.

I'm proud to say that due to hard work by Kim, Nicky, and the rest of the staff, we have had perfect grades with recent MIOSHA and Health Department visits. I have had members remark to me (and other board members) that MYC is the only place they feel safe going out to eat. As vaccinations accelerate and weather turns nicer, lets hope this pandemic and these regulations are soon a thing of the past.

The new menu is FANTASTIC. If you haven't been down, please pop-in or order take out. The Club could really use your business!

I can't wait to see you all out on the lawn and on the water soon!

Respectfully,

Jay Wallace Jr.  
Commodore, MYC

## House Committee Report:

### Now accepting all forms of payments at MYC.....cash, cards, checks, and member charge!

As spring draws near, it is a time for reflection and new beginnings. I ask that everyone remember the reason that you joined Muskegon Yacht Club. I know that for myself it was for the feeling of family, friendship, and the love of sailing. I have deep roots in our Club and the success of it means a great deal to me personally.

We all, members and staff, are weary from dealing with the pandemic and all of the restrictions and changes necessary for our club to remain open and for all to stay healthy. There have been a number of misconceptions as to why and who makes the decisions regarding COVID policy, and there has been some inharmonious behavior at MYC over the past year. I would like to address these issues.

The business model for MYC is known as “Staff Managed, Member Led.” As stated in the MYC Member Handbook (the Red Book), “The Board of Directors and general membership sets the rules, policies, code of conduct, and general protocols for MYC. The staff is tasked with the administration of such. Some areas of the club are managed by volunteers, and this changes as committee chairs and leadership changes, depending on the activity level of the committee involved.” All members are urged to be active in this process. It is the backbone of our Club.

We have heard your complaints and we have been working hard to improve your experience at MYC. Regarding seating at the bar, we have reached out to the Muskegon County Health Department to confirm that we have interpreted the Executive Orders correctly. The response that we received from the Environmental Health Officer who works with MYC is as follows: “Due to these social distancing requirements and limited staff, our original agreement was to forgo bar seating ... Under the current orders, I believe this solution is still

beneficial based on spacing and staff limitations.” Therefore, seating at the bar will remain as is at this time. The House Committee will revisit this issue at our next meeting scheduled for Saturday, March 13, 2021.

This past weekend we had the unusual problem of not enough seating for all who wanted to enjoy MYC due to the 25% capacity mandate. I am very pleased to announce that Governor Whitmer held a press conference on Tuesday and announced “additional re-engagements for bars and restaurants.” Effective Friday, March 5, the indoor dining capacity will increase to 50% and the curfew will be moved to 11 pm. We will implement some new seating options. These changes should provide enough seating for all who want to enjoy the beautiful views and what our club has to offer from all areas of our clubhouse.

Friendly reminder when cashing out and closing tabs: You may pay for your purchases with cash, check, credit card, or charge to your member account. As you would with a credit card slip, please sign out your member charge tabs at the end of each visit. This will ensure your checks are correct and attributed to the right member account. If you do happen to leave without signing your member charge slip, an 18% service charge will be added to your bill.

Any discrepancies with your bill must be settled at the time of service.

We are all anxious for life to return to normal as soon as possible. We will continue to do what is needed to get through these difficult times and come out better and stronger than ever at the end. To do so, we need to stay safe as we re-engage. Please wear a mask; wash your hands; and social distance.

I look forward to seeing you all at MYC this Spring!

Best regards,

Karen Garvey  
Chair, House Committee

## Social Committee Report:

The social committee has made great progress since the initial meeting which was held on February 11<sup>th</sup>!

We have put together a 2021 Social Calendar which is driving many amazing ideas. Our primary focus is to start out small, looking 2 months out, planning for things that are easily achievable and will provide a positive feedback from our members.

Here is a look at what we are planning/celebrating for March.

### 3/1: Book Club Kick-off

- Giving a “facelift” to the existing free library! Look for a new bookshelf in a new location soon, that will be filled with many new books and magazines for all ages.

### 3/5: Employee Appreciation Day

- Great opportunity to visit the club and show our employees how much we appreciate them.

### 3/17: St. Patrick’s Day

- Limerick contest: Submit your entries by Saturday, March 13<sup>th</sup> by either dropping them off to our club or via email to: [socialcommitteemyc@gmail.com](mailto:socialcommitteemyc@gmail.com)
- If you are feeling “Lucky” be sure be at the MYC for dinner on the 17<sup>th</sup>.

### 3/14-4/5: March Madness

- Bracket Challenge: Look for more information in the coming days on Facebook and Instagram!

Our next meeting will be held on March 11<sup>th</sup> from 6-7pm where will be discussing our plans for April which may include: Trivia night, Crew party, and even a Spring Carnival.

Friendly reminder, if you would like to participate in the social committee please contact us at [socialcommitteemyc@gmail.com](mailto:socialcommitteemyc@gmail.com) or feel free to talk to me if you see me around the club. The more people we have involved the more we can bring to the MYC experience.

Thanks,

Kelly Vanos- Social Committee Chair

**EAT, DRINK AND BE IRISH**  
and join us for a *Wee* bit of fun.

Wednesday, March 17<sup>th</sup>,

St. Patrick's Day

**Enter our Limerick Contest for a chance to win a prize!**

For those who need reminding, a limerick is a funny poem (often risqué, but let's keep it G-rated) having five lines with a rhyming pattern of a-a-b-b-a.

Here is an example:

*There once was a mid-March day.  
When people would gather and say  
"St. Patrick's Day's here!  
Let's wear green and drink beer!"  
And they'd party the evening away!*

Please submit your entries by Saturday, March 13<sup>th</sup> by either dropping them off to our club or via email to:

[socialcommitteemyc@gmail.com](mailto:socialcommitteemyc@gmail.com)

## Dock and Yard Committee:

Spring is just around the corner and Dock and Yard will begin to plan for the opening of the outdoor facilities. Stay tuned for the request for assistance this spring to complete the many projects before opening. These projects will include removing the de-icers, power washing the docks, minor maintenance projects, and much more. We hope to have an army of help as many hands make for light work.

As a reminder, Dock and Yard is working to form the Tuesday Morning Club. Once upon a time this club was comprised of retired members who met on Tuesday mornings for coffee and to complete small projects around the docks and clubhouse. If you have any interest in participating in the Tuesday Morning Club, retired or not, please let us know.

As of this article the marina has 7 open slips which include five (5) 38-foot and two (2) 46-foot slips.

Stay Warm.

## Race and Regatta Committee Report:

Like Déjà vu all over again. In preparing for this submission, I reread the 2020 March Portwatch submission from the RRC. Oh, what could have been ... Then again, we did in fact get some great racing done in 2020. In 2020, we instituted some changes that will remain and for 2021 we are making some additional tweaks to the racing calendar, (now posted) with the goal of simply having better racing. Our wonderful sponsors, McKenzie Price Insurance, The Clipper Cup, Bluffton Bay Sails and Pigeon Hill Brewery, are back and we have a fantastic new RC boat, which will improve our on the water experience even more.

In addition to our local club racing, MYC will host at least four significant regattas in 2021. The Spring One Design returns, 5/15-16, the C-Scow Nationals will sail 6/18-20, then the weekend after Labor Day, the WETA Nationals 9/10-12. We will cap the season with a new event, the Midwest Fall One Design Championship, 10/16-17. Each of these events is expected to draw a nice fleet and allow us to showcase our club.

And don't forget, the Queen's Cup finish, 6/25-26.

Sail Fast

Sam Nedeau

Chair, Race and Regatta Committee

## Queen's Cup Report:

The Queens' Cup committee has been very hard at work the past few months outlining the "Finish" and executing tasks to reach our goal of providing the best finishing party experience come June 25<sup>th</sup>.

Below is a list of the subcommittees within the QC committee. Each of these committees are made up of two or more individuals who meet independently to drive home the ideas and requirements needed to their specific planning area.

- Sponsorship: Andrew Price, Kim Blum

- Promotional Goods: Tim & Jayne Wallace, Larry Taunt
- Marketing/Media: Jill Keast, Kim Blum, Cathy Young
- House/Social: Karen Garvey, Kelly Vanos, Kim Blum, Cathy Young, Jessica Ledsworth
- Dock & Yard: Jeff Blum, Jon Ledsworth
- Race: Jon Ledworth, Mark Marchido, Jeff Blum

We have received positive feedback from SSSC regarding our planning status, already ahead of them by a couple of months!

There are a lot of details that go into planning an event this size with a lot of unknowns to plan for and around, the progress this team has made thus far is amazing!

A little peek at what is to be expected the weekend of June 25-27<sup>th</sup>:

- Food
- Beverage/Welcome Tents
- QC Merchandise (Jayne Wallace T-Shirt Design is spectacular)
- Live Music
- Raffles
- Lawn Games
- DragonForce 65 RC Regatta
- Muskegon Lake Party Barge Tour

We continue to meet on a regular basis and look forward to much more progress in the coming weeks as we prepare to begin advertising for the event!

Thanks,

Kelly Vanos- Queen's Committee Co-Chair

Jon Ledsworth- Queen's Committee Chair

#### Wednesday Night Racing Series Scoring:

Season scoring will be based on individual "high point" overall scoring of the best twenty (20) Wednesday night finishes of the total twenty-four (24) scheduled from 5 May 2021 through 13 October 2021. First Warning is 6:30 PM until 2 September 2021 when the First Warning is 6:15 PM for the rest of the season. The fleet will obtain one (1) throw-out race for every six (6) races scored. For example, if nineteen (19) races are scored, then the fleet will receive three (3) throw-outs which can be applied to the nineteen (19) races scored. If the twenty-fourth (24) race is scored, the fleet will receive a fourth (4th) throw-out. The class winners and overall winner of the Wednesday Night Racing Series will be the boat(s) with the highest amount of points after the allowable throw-outs. One (1) race sailed shall constitute the summer series.

#### Wednesday Night Sponsor Series Scoring:

There will be four (4) separate Wednesday Night Sponsor Series. These races will be the first six (6) Wednesday nights followed by the following six (6), the next six (6) and the last six (6) Wednesday nights. Each Sponsor Series will be scored independent of the overall Wednesday Night Racing Series. If six (6) races are scored, each boat will receive one (1) throw-out. If less than six (6) races per series are scored, there shall be no throw-out. The class winners and overall winner of each Sponsor Series will be boat(s) with the highest amount of points after the allowable throw-out. One (1) race scored shall constitute a series.

#### Blacklock Cup Trophy Scoring:

The Blacklock Cup will be awarded for the Best Overall High Point score for the combined races marked above with a red \*: MYC Commodores Cup, MYC Nedeau Cup, GRSC/MYC Commodores Invitational, and MYC Governor's Cup. There will not be a throw-out available for the Blacklock Cup Scoring.

#### Spring & Fall Challenge Scoring:

The Spring and Fall Challenge will continue to each be awarded as single events. In addition, they will count towards the Wednesday Night Racing Series and they will count towards the one (1) of two (2) of the Sponsor Series that they will fall in on the race schedule, unless either are abandoned.

#### Nedeau Cup:

The 2021 Nedeau Cup will be awarded to the Overall Winner of the Nedeau Cup Regatta scheduled for 3 July 2021. It is the intent of MYC RC to set the course for this event on Lake Michigan.

#### Boat of the Year Scoring:

The 2021 Boat of the Year Scoring is TBD and will be determined prior to the warning signal of the first race and it will be posted as an Amendment to this NOR.
