COMMODORE'S COMMENTS:

Happy New Year my fellow members. Maybe 2022 will be the year we get this pandemic winding down? Maybe the next Commodore will pose the same question next year? We shall see together, but I'm hoping your family had a safe and healthy holiday season.

Although the club is closed to members, your hard-working staff will be rejuvenating and cleaning inside the building. There will also be some major upgrades in the bar area during the shutdown. Thanks for everyone's patience during January and we'll see everyone in February.

I'll also make a quick plea for volunteers at the Grand Rapids Boat Show from February 16-20. MYC will have a booth there and we need members to help staff it. Please if you're interested let Kim know about possible dates you could fill in. I encourage new volunteers to step up and join the main core of volunteers that keep your club running with staff.

Finally, four months till boating season!

Happy New Year to all!

If you have not already heard, our clubhouse will be closed beginning Sunday, January 2, 2022, for our annual shutdown. This year we are tackling some big, but necessary projects. Most importantly, we will be renovating the back bar with new, much-needed coolers. The countertop, flooring, electrical, plumbing, and draft lines, including the addition of a nitro gas line, are all scheduled to be done. This will be a huge project and may take the entire month in order to coordinate the contractors. We are also adding a closet in the Lakeview Room for storage of linens and non-food kitchen items. The cabinet in the foyer is set to be refinished to match the other wood finishes in the bar and Round Room. And last, but not least, the usual January deep cleaning and organizing will be done, as well as professionally cleaning the carpets. If possible, we will reopen before the end of the month. Please watch for a NewsFlash with details of the reopening date.

Looking forward to February, the Club will be open on Sunday, February 13, for a Superbowl Party with Big Screens and Surround Sound! Hope to see everyone there!

The House Committee will be meeting next on Saturday, January 8, at 10:00 am. Whether we will be meeting in an as yet undetermined location, or meeting virtually will be announced via NewsFlash prior to that date. Please contact me should you have any questions or concerns. My email address is kgarvey22@gmail.com.

Race and Regatta Committee Report:

Happy New Year from the Race and Regatta Committee! We hope that you all had an enjoyable Holiday Season with friends and family. This is the "MYC cleaning" month and the club is closed until February. However, the RRC is continuing to work on several improvements for the upcoming season and we welcome anyone who would like to be a part of the RRC to join us. We meet on the third Wednesday of every month at 1900 hours from November through April and the third Tuesday of every month from May through October. We also make it available to attend remotely, should you want to sit in on a meeting without heading to the club in person. The 2022 Race Calendar is done and published. We will be getting everything up on YachtScoring in this next month, so that registration can begin. There is a little uncertainty yet, as YachtScoring is in a transition following the unexpected passing of its founder, Luiz Kahl. We will keep you posted if there are any changes that require your attention. Until next month, happy ski season and boat work season!

Thank You

for your Kindness

With your help, MYC was able to donate 3 large bins full of sock and blankets to the Muskegon Area Rescue Mission on December 23, 2021.

The gentlemen at the front counter said "Ohh WOW, this is really going to help!"

I could see the appreciation in his eyes. So, thank you once again!

"Giving is not just about making a donation, it's about making a difference."
