COMMODORE'S COMMENTS:

One month remains for some of us crazy racers! Racing starts Wednesday, May 4th and I personally can't wait for another boating season to start.

I'm going to take this space to ask politely for as many of you as possible to help with the volunteer opportunities this spring. Keep an eye on your email newsflashes for a call to arms. I've been a part of many of the work bees over the years and I can tell you many hands definitely make light work. April 9, 10, 15, 16, 17, and 23rd are all looking like work days to get the club in shape for the summer season. Please plan to be there, new member or old timer like me.

April 16 is our Spring Open House for any prospective new members, or if you just want to stop by for a visit. If you know of any potential new members send them down, we'll be running a new member incentive to join that day.

Short and sweet this month as things get ramped up. Thank you to all our committees for the hard work approaching the busy season. Also, a special thank you to our manager Kim for stepping into the kitchen to cook while some of our staff was out sick. If you didn't know before, she's not your typical general manager and will do just about anything for the club and the membership.

Treasurers Report:

Greetings MYC members,

It is my duty and privilege to report to you each April our budget for the upcoming fiscal year which will start May 1st of 2022 and run through April of 2023.

With the assistance of our committee chairs and General Manager Kim Nguyen and the extensive work of our Business Manager Sue Peters, I am pleased to submit the 2022-2023 budget to the membership as required by our bylaws. We are facing a challenging year as both our labor cost and food and material cost are inflating at rates not seen in a generation. Add this to the constant battle with mother nature against our facility with winds, fluctuation in water levels, and damage from ice flows, and it is no small feat that we have come through our current fiscal year strong and head into the new year with optimism.

We are in a strong financial position currently and your dues and contributions to the Capital Improvement Fund are being used to maintain and improve our facilities and services. The latest project completed was replacing the coolers behind the bar which have been a major maintenance cost and headache for many years. Hopefully Nicky will not be starting her mornings crawling inside coolers with a hair dryer to defrost equipment this summer! Hopefully we will see less maintenance trucks parked in our parking lot as well.

We have much left to do, and Jeff Blum and the Dock and Yard Committee along with the Board of Directors are looking at prioritizing what projects need to be tackled next. New shade structures at the pool and patio, parking lot and seawall repairs, and the Octagon bldg. are all on the slate for consideration. Also, with the drop in water level we will remarkably likely have to deal with some dredging, when just two years ago we were flooding the parking lot.

The good news is that we are on solid financial footing, and we will deal with these challenges as they come.

This past year, as we gradually ramped up operations coming out of the covid shutdowns our staff led by our GM Kim, has really done a remarkable job of keeping the wheels on, and navigating these very turbulent times. Thank you to the entire staff for the herculean efforts and humbling loyalty that you have given to MYC. We are excited about the coming season and a return to normalcy.

As always if you have questions, or would like more information, do not hesitate to contact me. Email is the best way to do that at ltaunt@regalfin.com.

Respectfully Submitted

Dock and Yard Committee Report:

This Port Watch is almost a repeat of last month. Ice again became a problem when the lake was subjected to a strong east wind that pushed the ice cover of the lake to the west shore. The thick ice being pushed by the wind and waves pushed up against the wave attenuators and caused the anchors to drag, thus moving and turning each section of wave attenuator.

After

Tucker Marine is anticipated to begin work very soon and first order of business will be to install three new piling on "B" dock followed by repositioning of the attenuator sections that moved. We are in discussions what additional anchoring can be installed to prevent future movement.

Recently Dock & Yard began reconstruction of the severely warped finger pier between slips 70 and 71 as part of our long list of spring improvements. Volunteers worked Saturday and Sunday to remove the old finger pier and begin reconstruction of the new one.

Stripping and removing sections of the old finger pier.

Building the new finger pier.

Dock & Yard has a long list of “To-Do’s” that need to be completed before boats splash and will require help from many volunteers.

- The largest project will be to remove the wood riser platform that was installed on the fixed dock during high water. This will entail removing all the deck boards off, dis-assembly of the 2x12 structure and moving the lumber to a storage location. This activity has been scheduled for April 10th and April 15th through 16th. Be sure to bring your battery powered drills.
- Power washing the docks. Each year the deck boards of the docks need to be power washed to remove buildup of dirt and algae. This activity has been scheduled for April 23rd.
- Bringing out lawn furniture, etc. from winter storage. This activity has been scheduled for April 16th.

A google FORMS sign up has been set up. Please follow the link to sign up for the days you can help.

Dock & Yard needs as many volunteers as possible to complete the mountain of work. Please consider helping.

Interested in becoming involved with the Dock & Yard Committee? We meet the second Saturday of each month at 9am. Attendance may be in-person or virtual. Contact Jeff Blum at jeff.blum213@gmail.com.

House Committee Report:

"April, dressed in all its trim, hath put a spirit of youth in everything." - William Shakespeare

Welcome, Spring! Beginning April 19, we will be open on Tuesdays. Spring Hours will be as follows:

Monday:	Closed
Tuesday - Thursday:	4:00 to 10:00 p.m.
Friday:	4:00 to 11:00 p.m.
Saturday:	12:00 to 11:00 p.m.
Sunday:	12:00 to 9:00 p.m.

Kitchen closes at 9:00 p.m. daily, except for 8:00 p.m. on Sunday

Open House on Saturday, April 16, from 12:00 to 5:00 p.m. This event will be open to the public, along with our liquor license. Greg Miller will be playing guitar during the event. New memberships will be available on that day for a reduced initiation fee. Please tell your friends and family who are interested in joining our wonderful Club!

Please note: Muskegon Yacht Club will be closed on Easter Sunday, April 17.

Please join us for a Chicken Soup Party on Saturday, April 30, from 3:00 to 5:00 p.m. Say hello, visit, and recall fond sailing memories with MYC icon, Dr. Mort Kantor. There will be pictures playing on the Round Room tv highlighting the years of being on the water and racing alongside Mort and his crew from "Chicken Soup." Let's celebrate Mort's amazing sailing legacy together with him!

The House Committee has been working with Dock & Yard to improve members' Wifi experience at MYC. Please watch for more information.

The House Committee will be meeting next on Saturday, April 9, at 10:00 a.m. Should you be interested in attending, we will meet in the Lakeview Room. Please contact me should you have any questions or concerns. My email address is kgarvey22@gmail.com.

Juniors Committee Report:

REGISTER FOR 2022

SAILING SCHOOL CLASSES

Registration is now open!
Register at the MYC Sailing School web site
www.mycsailingschool.com

The Sailing School's Learn-to-Sail classes are designed for both beginner and experienced youth sailors age 6-18. There are also evening classes for adults, teens and families. Classes are taught by trained, certified instructors on Optimist, Butterfly, Laser, and JY15 sailboats.

Children ages 6 through 9 will meet in the mornings from 9:00 am to 11:30 am. Ages 10

and up classes are scheduled for 12:30 pm to 3:00 pm. Our adult classes are held on Monday and Tuesday evenings.

MYC JUNIOR RACE TEAM

In addition to the Learn-To-Sail opportunities offered by the MYC Sailing School, youth sailors can expand their sailing experience by joining the MYC Junior Race Team.

Both experienced and beginner sailors are welcome. Twice weekly practices and participation in several youth regattas help young sailors improve their sailing skills, build confidence, and learn the importance of personal responsibility as part of a supportive, close-knit team. Race Team registration is \$80 plus a per regatta fee.

Our race team has the opportunity for unlimited sailing during sailing school hours to improve their skills and mentor other sailors for \$100

Our Junior Race Team also has the opportunity to participate in the Wednesday Night Race Series with the J24, School Bus.

Information and registration for the MYC Junior Race Team can be found on the MYC web site at <https://www.mycsailingschool.com/myc-race-team>
