COMMODORE'S COMMENTS:

Welcome to the start of boating season fellow members. It's been great to see more and more friends at the club after our winter hibernation.

What a great event we had for Past-Commodore Mort Kantor on April 30. Thanks to everyone who showed up to celebrate his impact on MYC over the years. Thank you to all the organizers that made the get together come together.

May will ramp up at the club right through Memorial Day and our annual Commodore's Cup and reception. Most of the racers are aware of the festivities planned for Sunday, May 29, but maybe some other members are not. All members are welcome to come join in the festivities starting around 3PM. There will be a parade of Commodores, the blessing of the fleet, flag ceremony, potluck luncheon, and an additional special event this year. Please come down and enjoy the camaraderie during the event, and hopefully the opening of the pool!

As we approach the busy season, please join me thanking our staff and showing patience whenever necessary. MYC is once again approaching record membership and on busy nights, drinks and food take a bit longer than the winter months. Trust me that a quick "thank you" goes a long way.

Melissa, Tess, Ian and I tend to stay on our boat 'In The Blood' most weekends during the summer, when the boat isn't elsewhere racing or cruising. Stop by and say hi anytime at slip 12. I always welcome meeting new members, catching up with veterans, or hearing any club feedback you might have.

Membership Committee:

Hello Everyone!

So happy to see some sunshine and finally get rid of my winter coat!

Recently our club has been represented at the Grand Rapids Boat Show and the Muskegon Home, Garden & Boat Show. The committee also hosted a Spring Open House in April. We are pleased to report that these events created a lot of interest and resulted in a number of new members for MYC. We are very happy to welcome all of our new members!

Mark your calendars for June 4th - we will be having a New Member Orientation followed by a Mix & Mingle Event! There will be live music by the band Upcoast Kin beginning at 6pm. The club will offer a featured dinner, and perhaps a cocktail, to commemorate the event. We would love to have you attend, enjoy the music, and say hello to our newest members!

New Members: Please watch your inbox for an email from me, I will be reaching out to give you the details for the new member orientation which will be Saturday, June 4th, beginning at 4pm.

Thanks,
Melody Stenstrom
MYC Membership Committee Chair

Dock and Yard Committee Report:

Did you know:

- The Dock and Yard committee is responsible for the operation and maintenance of everything outside of the clubhouse.
- Most of the maintenance is performed by volunteers.
- To control spending contractors are hired for specific skill set projects that are beyond volunteers' expertise.
- The list of projects around the clubhouse and marina is big.

If you are interested in taking on a project and helping reduce the list of things that need to be completed, please contact Dock and Yard.

April consisted of a full schedule of volunteer projects to prepare the marina for boats and the clubhouse for outdoor living.

Last of the platform removal

Work included removal of the raised wood platform from the top of the fixed dock, removal and power washing the deicers, setting out lawn and pool furniture, power washing the fixed dock, and repairs to the steel structure at the east end of the fixed dock. I am sure that there are a few unmentioned but I think you get the idea.

The upcoming list of projects includes (to name a few):

- Install the patio awning;
- Install the pool awning;
- Install deck boards to the east end of the fixed dock;

- Replace the deck boards on the west end of the fixed dock;
- Complete power washing of sections of the fixed dock and angle attenuator;
- Paint the new container that will be installed as a wave attenuator.

More projects than a single weekend of volunteers can complete.

Installing 2x12's as a temporary dock surface until the repairs are completed on the steel structure of the fixed dock

Tim Wallace repairing the east end of the fixed dock steel structure by repairing the broken welds and weldina

As you make your way out to the outer "B" dock you will notice the poor condition that the surface of the fixed dock is in, and the eastern portion has 2x12's for deck boards. This is a temporary fix so that members can access "b" dock safely. Parts are currently being fabricated to hold the grey plastic deck boards in place.

And now you ask... **what's up** with Tucker Marine, the ugly barge and crane, and the mess of a wave attenuator we have? I can happily report that progress is being made in between the rain and wind:

- The week of April 18th Tucker continued working on the floating container fabrication which is going to be installed in place of the half-submerged yellow container in the wave attenuator line-up.
- The week of April 25th Tucker completed installation of three (3) new piling to help support the outer "B" dock and installed the new piling hoop at the end of slip 1 which was damaged in the 2021 spring eastern wind event.

Starting the week of May 2nd Tucker will move the barge outside of the attenuator to begin moving and re-anchoring the attenuator sections. Following this they will be removing the yellow half-submerged container and replacing with the new container after fabrication is completed.

Driving new piling to provide additional support to "B" dock.

Tucker also plans to add additional anchors to the attenuator sections to add weight to help prevent movement from ice in the future.

Weather permitting, we anticipate the attenuator work being completed in June.

Interested in becoming involved with the Dock & Yard Committee? We meet the second Saturday of each month at 9am. Attendance may be in-person or virtual. Contact Jeff Blum at jeff.blum213@gmail.com. The next meeting is May 14th at 9am.

Thank you,
Jeff Blum

House Committee Report:

All things seem possible in May!

MYC will host the Midwest One-Design Spring Championship from Friday, May 20, through Sunday, May 22. We will offer our usual hospitality to our visiting sailors for this annual Melges 24 event. Please join us at the Club for this fun regatta!

The official start of our sailing season is with the Annual Commodore's Cup & Reception and preparations are being made for the 2022 celebration on Sunday, May 29. The reception will begin promptly at the conclusion of the Commodore's Cup Race. There will be a potluck, with the Club providing a sandwich tray. Please bring your favorite hors d'oeuvres, salad, side dish, or dessert to share. Please watch for additional details.

For those who were unable to attend, Saturday, April 30, we had a wonderful celebration for Mort Kantor with a "Chicken Soup" Party. Mort's daughters Deb, Michelle, and Lisa gifted our Club with a beautiful cocktail table in honor of their late mother Maxine, "Macky," and their dad. Mort is a Past Commodore (1971) and was responsible for the building of our swimming pool. The table was designed by Scott McEwen and built by Rob Rafson. These members have such amazing talent. The table will be permanently placed in the Round Room. Thank you to all those who made this gift and event possible!

The House Committee will be meeting next on Saturday, May 14, at 10:00 a.m., in the Lakeview Room. We welcome all MYC members to attend. Please contact me should you have any questions or concerns. My email address is kgarvey22@gmail.com.

REGISTER FOR 2022 SAILING SCHOOL CLASSES

The dates, information and online registration for 2022 Sailing School classes will be available February 15th on the MYC Sailing School web site at www.mycsailingschool.com

The Sailing School's Learn-to-Sail classes are designed for both beginner and experienced youth sailors age 6-18. There are also evening classes for adults, teens and families. Classes are taught by trained, certified instructors on Optimist, Butterfly, Laser, and JY15 sailboats.

Please mark your calendars and make plans for your children, grandchildren and their friends to take advantage of these great Learn-To-Sail opportunities!

MYC JUNIOR RACE TEAM SCHEDULE FOR 2022

In addition to the Learn-To-Sail opportunities offered by the MYC Sailing School, youth sailors can expand their sailing experience by joining the MYC Junior Race Team.

Both experienced and beginner sailors are welcome. Weekly practices and participation in several youth regattas help young sailors improve their sailing skills, build confidence, and learn the importance of personal responsibility as part of a supportive, close-knit team.

Information and registration for the MYC Junior Race Team's 2022 activities will be posted February 15th on the MYC web site at <https://www.mycsailingschool.com/myc-race-team>
