COMMODORE'S COMMENTS:

Welcome to the full swing of summer at MYC. Thank you to our staff for a wonderful Fourth of July holiday weekend. The Tour de Boats in June was a huge success and I can't wait for it to hopefully become an annual event. I highly recommend other boat owners who missed it this year to join next time around.

Looking forward, in a week we have a large youth regatta hosted at MYC. Some small boats are already showing up in the parking lot. The club is going to be very busy and parking will be limited. Be patient and realize you may have to park on a surface street and take a nice summer walk to the club. We try to host at least one large regatta a year to show off our fabulous facility and facilitate our club goal to promote and sponsor the development of watercraft of a non-commercial character. On that note, we were informed that the Queen's Cup will come to Muskegon again in late June 2023.

We have a contingent of MYC racer/cruisers representing us in the Jolly Roger Cup this next Saturday. I fully expect our team to do well. Bring home the cup! Many of us also leave for the annual Race to Mackinac from Chicago later this month. Let's all wish our MYC crews' good luck and safe travels.

Finally, I recommend everyone take a mid-busy season refresher on the house, pool, and dock and yard rules found in your red book (available online to members). With so many people around, it will help us treat each other with respect and camaraderie. The most complaints I've been asked to address as of late are unleashed pets. Please keep your pet leashed at all times on MYC property, even the beach.

Thanks to everyone for being friendly as we go into summer and please keep bringing any concerns you have my way.

Eric Bombery

Dock and Yard Committee Report:

Dock & Yard continues to remain busy working on the “project list” of maintenance and repairs around the club and marina. One of the difficult items are repair of broken dock cleats. Cleats are breaking for several reasons but most notably from improperly sized dock lines, worn out and breaking dock lines, and boats that do not have snubbers on their dock lines.

Snubbers absorb shock and will help extend the life of your dock lines while minimizing stress to structural areas around cleats caused by the jolting action of wind, waves, and wakes. Even with the attenuator project near completion the marina will still experience wave action that will put stress on the dock lines, boats, and docks. Every boat should have

In addition to adding snubbers, Dock & Yard requests that slip holders take inventory of their dock lines and check the following:

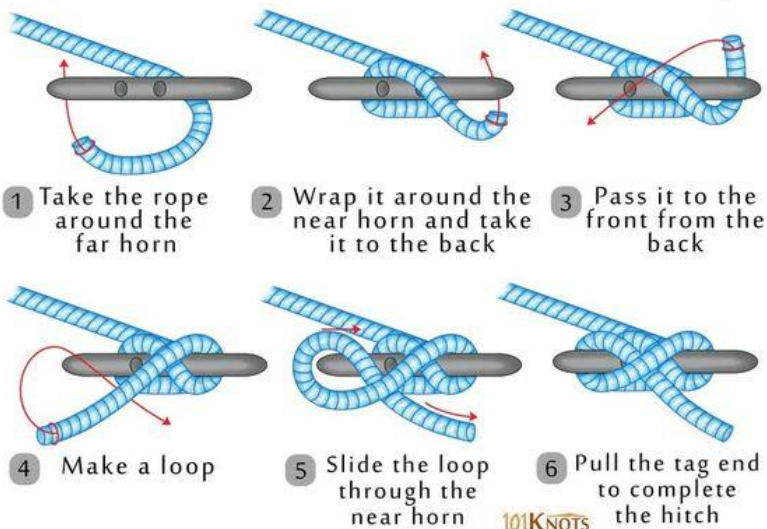

1. At a minimum, boats should be secured with 3 strand dock line. For a somewhat stronger option use a double braid dock line.
2. Dock line sizing is one-eighth inch of line diameter for every 9 feet of boat length.

A dock line sizing chart is provided (More informatino can be found at www.westmarine.com):

Boat Length	Dock Line Dia.
Up to 27'	3/8"
28'-31'	7/16"
32'-36'	1/2"
37'-45'	5/8"
46'-54'	3/4"
55'-63'	7/8"
64'-72'	1"

Just as important as proper dock line sizing is how you tie your boat to the cleat. The Cleat Hitch is the best way to tie a boat to a dock.

Cleat Hitch Instructions

Repair work to the outer wave attenuator is currently on-going with the completion in sight. Since the last reporting Tucker has completed the repositioning and adding additional anchoring of the angled section of attenuator, repositioned, and added additional anchors to section #1, and is currently repositioning and anchoring of section #4 and #5. Following this Tucker will be repositioning section #2 and installing the new section #3.

Once everything is in its intended position Tucker will begin installation of the chain work that will connect the individual sections. It is anticipated that the gap between each section of wave attenuator will be approximately 12 to 15 feet.

Dock & Yard meets the second Saturday of every month at 9am at the club. You are welcome to attend the meetings and get involved.

Please reach out to Dock and Yard should you have any questions or to let us know how you can help us out.

Dock and Yard Co-Chairs

Jeff Blum – jblum@wcgrp.com

Rob Rafson – rob@charthouseenergy.com

Race and Regatta Committee Report:

MYC Racers,

At the time of this writing, we are past our 10th week with 9 successful races. By the time you are reading this, MYC will have participated in our first Jolly Roger Race to White Lake Yacht Club. We were invited to join this Lakeshore Yacht Harbor YC and White Lake YC event, sponsored by Sail Place, for the first time this year. We have 6 boats cruising this Jib & Main only event and we hopefully did well! The perpetual trophy is awarded to the yacht club who's top three boats have the best score between the three clubs. I see this race growing in popularity for our MYC sailors who do not necessarily race, but want to cruise and compete. We are grateful to Sail Place, LYHYC and WLYC for the invitation to participate in this fun race with them, including an overnight stay at WLYC.

We are approaching the end of the McKenzie Price Series and will be into the Bluffton Bay Sails Series next. Once again, please support our great sponsors! And do not forget that the **Harbor Hospice Regatta is again raced within our August 10 Wednesday Night Series race.** Registration packets are available from RC or in the foyer at MYC. The cost is a \$50 donation to Harbor Hospice and you will be scored both for the normal Wednesday Night Series as well as separate prizes from Harbor Hospice. This is a GREAT cause and MYC has always been a strong supporter of Harbor Hospice. As your MYC PRO, I want to see every boat racing that night scored for both, please. Along with the race packets, please grab a Judy Miller Memorial packet from the same location and start raising money! Bring them to your work or social parties, etc. **ANYONE CAN DONATE to Harbor Hospice into your boat's packet and your boat will receive the credit for that donation!** The boat raising the most money will win the Judy Miller Memorial trophy, presented at November's Awards Banquet.

Coming up in July we have the Butterfly Nationals at Spring Lake Yacht Club, the Area K/Bemis/Smith Qualifier at MYC, the WMYSA Friday regatta on July 22 at MYC, and we have several boats racing in the 113th running of the Chicago Yacht Club Race to Mackinac. Best of luck to our MYC boats and stay safe everyone, from your MYC Race & Regatta Committee!

Jon Ledsworth

Social Committee Report:

Thank you to everyone that came out to Tour de Boats!

Great feedback and attendance for this event that we hope to make an annual tradition.

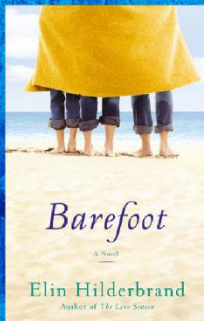

MYC POKER RUN JULY 30TH

Get your dinghy and squirt guns ready. Pick up maps and poker packets at MYC on July 30th. Poker party with awards, music and more fun afterward. Mark your calendar and watch the newsflash for more information!

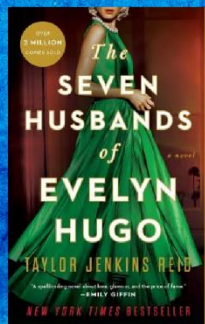

MYC BOOK CLUB

Visiting Nantucket for the summer, three women seek peace and comfort as they cope with the challenges in their lives—from marriage, infidelity, and the mayhem of motherhood to scandal, tragedy, and illness.

July 14
at 6:00pm

August 11
at 6:00pm

Aging and reclusive Hollywood movie icon Evelyn Hugo is finally ready to tell the truth about her glamorous and scandalous life. But when she chooses unknown magazine reporter Monique Grant for the job, no one is more astounded than Monique herself. Why her? Why now?

The MYC Book Club meets the second Saturday each month at noon after committee meetings.

The Social Committee is always looking for more members. If you are interested in joining, email socialcommitteemyc@gmail.com

Thank you,
Kim Blum- Social Committee Chair

Printed copies of the 2022 Member Handbook (aka Red Book) are available at the bar for \$5 each.

The digital copy of the Handbook is available at [THIS LINK](#) for members to download and/or print.

Members can always access the digital Handbook on the MYC website, www.muskegonyachtclub.org in the "Members Only" section.

All new members will receive a printed copy of the Handbook at no charge via mail.

Message from the General Manager:

Good afternoon members,

Since the resignation of Chef Adam, I was entrusted with finding new leadership in the MYC Kitchen. It has been a long, exhausting search and after interviewing multiple candidates, I am excited to announce our new Executive Chef - Andrew Ellis.

Chef Andrew comes to us with extensive experience, education and creativity. He has traveled the country from Hawaii to DC and has over 18 years of kitchen experience working in both private Country Clubs and public restaurants. He recently decided to move back home and reestablish roots in Muskegon.

Andrew was born in Hastings, MI and raised in St. Joseph, MI. In 1998 his family relocated to Muskegon where Andrew graduated from Mona Shores High School. In his free time, Andrew likes to do anything with sports, hang out with his girlfriend, watch movies and catch up with old friends!

I asked Andrew what his favorite feature to prepare is and his response was, "I can't say exactly what my favorite feature would be or would've been. I like to see what's out there and then also what I am intrigued to make. It could be anything from a simple tempura asparagus with hollandaise sauce or bahn mi sandwich or a southern favorite, shrimp and grits. It is endless on what I like to cook and what a great feature could be."

Please join me in welcoming and congratulating Chef Andrew Ellis in his new role as Executive Chef at MYC. Andy is currently working on a new menu to release. He will finalize it next week and we hope to debut it the week of July 18th.

More great news: Please help extend a warm welcome back to Scott Williams who has been out traveling for the past 8 months. He is back in town and will be working for us this summer. We are

excited to have his energy back on Team MYC. I am happy to report, as of Thursday, 7/7, we are now fully staffed at MYC in all departments. Thank you to all for your patience during the past couple months. It was no easy task but we made it.

Quick note from Pool Manager Mick Homan.... please remember to sign in upon your arrival at the pool. Please indicate your first and last name on the sign in sheet. Remember, \$5 pool guest fee. If you move the loungers around, please put them back when you are finished. And finally, please place all your trash in the garbage cans. The pool staff appreciates your help with this.

Stop down and enjoy the club. We look forward to seeing you!

Best Regards,
Kim Nguyen
General Manager

JUNIOR REPORT JULY 2022

SIGN UP FOR 2022 SAILING SCHOOL CLASSES!

Information, schedules and registration for 2022 Sailing School Classes are available online at <http://www.mycsailingschool.com>

The MYC Sailing School is open to the public. Please spread the word to your friends and neighbors. We also offer a shuttle service to and from Pointe Marine for those who live on the north side of Muskegon Lake!

THE NEXT WMYSA YOUTH REGATTA IS AT MYC!!!

On Friday July 22, youth sailors from throughout West Michigan will travel to MYC to compete in the third 2022 WMYSA regatta.

This is a fantastic opportunity for MYC Juniors, especially beginners, to sail in a large, fun regatta on familiar waters.

Young beginners are especially welcome and compete in the Optimist Green fleet where they receive lots of coaching and encouragement. Regardless of skill level, everyone improves and develops greater confidence.

We will also need lots of volunteers to help wrangle traffic, parking, and lots of

trailers full of little boats. It is really fun to have the MYC property full of grinning young sailors!

Finally, please refrain from parking or leaving trailers and boats in the north side dry sail area starting Thursday afternoon July 21. We will need this entire area cleared until the end of the day on Friday July 21 for the unloading and launching of boats from the MYC beach and ramp.

Please consider volunteering a few hours of your time to help things run smoothly. You can find more information on what is needed and sign up at: [JUNIOR REGATTA VOLUNTEER SIGNUP](#)

PLEASE SUPPORT MYC JUNIOR PROGRAMS BY GIVING TO THE MJSA

The MYC Sailing School and MYC Junior Programs are made possible through the generous support of the Muskegon Junior Sailing Association (MJSA) which is a 501c3 charitable organization.

Please consider making the Muskegon Junior Sailing Association part of your planned giving with a tax-deductible donation. Follow the link for online donations.
