COMMODORE'S COMMENTS:

May is here,

let the flowers appear!

It takes a tremendous amount of work getting MYC ready for summer. April was filled with work-bees starting with removal of the de-icers from the marina and power washing them for proper storage. The next weekend we hauled out the lawn and pool furniture from the Octagon building. And finally, pre-treating and power washing our entire dock system was completed. I would like to take this moment to thank these exceptional members for the generous contribution of their time. I would also like to thank those who have been behind the scenes getting MYC ready for yacht racing season. The RC boat is cleaned, restocked, and ready for the season. Our fixed race marks have been put back into position on Muskegon Lake, and we are ready to start the first race of the season.

These are the fine folks who showed up during the month of April to offer a helping hand. They are deserving of our recognition and thanks:

If I missed anyone, I sincerely apologize. Technically, I missed my mark again because April was Volunteer Appreciation Month. To rectify this situation, and adequately thank each and every one of our tireless volunteers who help out throughout the year, I have been working with our board, committee chairs, and staff to plan an event that will offer some tangible rewards.

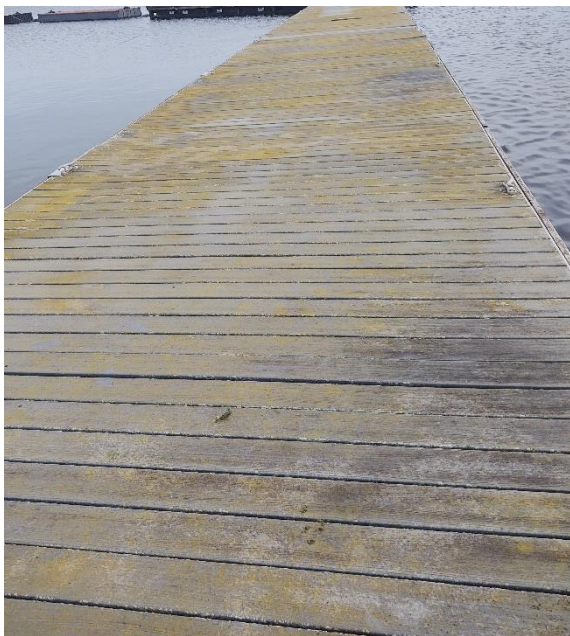

for MYC Volunteer Appreciation Day on
Thursday, August 31, 2023. More details to come!

Race and Regatta Committee Report:

The Race and Regatta Committee has been working hard to prepare for this season's opening race on May 3rd. Owners please submit your insurance documents and MWPHRF certificates to race.myc@muskegonyachtclub.org if you haven't done so already. The permanent racing marks are floating and properly located thanks to the leadership of Mark Marchido who enlisted a team of RRC Secretary/Treasurer Tom Spoelman, Past Commodore Eric Bombery, Vice Commodore Kevin Moore, RRC Sponsor Coordinator Josh Wallace, and junior extraordinaire Brady Wallace to prepare the buoys and properly place them. Also, thanks to Mark for the committee boat vinyl repairs and Josh and Brady for giving the boat a good scrubbing. Let's go racing!

May is upon us and the 2023 MYC sailing season is off to a start! There are many exciting things to look forward to this month. Spring Hours are now in effect. They are as follows:

Monday	Club Closed
Tuesday	4:00 to 10:00 pm
Wednesday	4:00 to 11:00 pm
Thursday	4:00 to 10:00 pm
Friday	4:00 to 11:00 pm
Saturday	12:00 to 11:00 pm
Sunday	12:00 to 9:00 pm

Kitchen closes at 9:00 pm daily, except Sunday at 8:00 pm

The start of Wednesday night racing begins on Wednesday, May 3. The last Jam Session of the season will be Sunday, May 7, from 3:00 – 6:00 pm. The Wine Dinner on May 11 is sold out; watch for information on future dinners and make your reservation early! The Semiannual meeting will be held on Saturday, May 13, at 1:00 pm. The Mother’s Day Brunch will be Sunday, May 14, from 11:00 – 2:30, with two available seatings; reservations are required and must be made no later than May 10. The regular menu will be closed during the event and will resume from 4:00 to 8:00 pm. The Midwest One-Design Spring Championship (Melges) regatta is May 19 – 21. The annual Commodore’s Reception will be held on Sunday, May 28, following the Commodore’s Cup. Please watch your MYC Newsflash for more information on all of these events.

The latest addition to our clubhouse is the beautiful new custom-made red entryway doors. They were installed in April, along with repairs to the wall surrounding them. The new doors will be much more energy efficient and provide a much-needed moisture barrier. Beginning May 2, the old outside carpet and concrete at the front entrance will be removed and new concrete poured.

The House Committee will be meeting next on Saturday, May 13, at 10:00 am in the Lakeview Room. We welcome all MYC members to attend. Please contact me should you have any questions or concerns. My email address is kgarvey22@gmail.com.

Message from the General Manager:

Approximately five months ago, I rehired Adam White as our interim Chef to help assist with our Kitchen operations in the off-season. Our goal was to maintain services with limited hands and for him to train our existing staff to eventually maintain without him. Under the advice of Chef Adam, that time has come. He has completed the mission and, without reservation, has happily advised me that Samantha Angelini is now ready to become MYC's Head Chef. As of today, Samantha has accepted that role and will continue to serve MYC in her new capacity as Head Chef and will report directly to me going forward.

Please help me in welcoming Samantha into her new role at MYC. Samantha has been employed with Muskegon Yacht Club for two years and has helped maintain operations during staff shortages. She comes to us with an abundance of kitchen management experience and under Chef Adam's wing, has completed her hands-on Chef's training, elevating her career to the next level.

Samantha was born and raised in Montcalm County, and moved to Muskegon about 15 years ago. In her free time, Samantha enjoys making memories with her family, especially her husband Jeff of 8 years and granddaughter Kamryn. She enjoys the warm weather and spending time outdoors as much as possible. She is excited to continue her career at Muskegon Yacht Club as Head Chef and looks forward to the excitement that this role will certainly bring.

Along with that GREAT news, we have also promoted Greg Wisneski to our Sous Chef Position. He has worked with Samantha over the past few months and has an abundance of experience as well. Greg moved from Orlando, where he worked for Disney for many years, to Michigan last year. He has accepted this new role and will report to Samantha directly going forward. I am excited to continue to work with this dynamic duo and have nothing but confidence they will do well in their new positions.

Lastly, please help me by thanking Chef Adam White for all his help and expertise over the past couple of months. His continued support to MYC and our staff is admirable and very much appreciated. Chef Adam will still be around over the summer helping with a few events as needed, but not on a regular basis. Chef Adam, THANK YOU, THANK YOU, THANK YOU!

Please feel free to reach out to me with any questions you may have and please stop by to congratulate Samantha and Greg on their new roles. We look forward to serving each of you very soon!

CREW SEARCH

Are you looking for someone to help crew on your boat this season? We have a large list of people who are looking to crew.....new sailors, experienced sailors, young, and old. Please contact Jessica Strecker, Kim Blum, or Kim Nguyen if you need help linking up with some people.

Dock and Yard Committee Report

Thank you everyone who volunteered their time to haul the yard furniture from storage, remove the deicers from the marina, and power wash the docks. April was busy.

May will be even busier.

The concrete repair in the southeast corner of the property is near complete. SK Environmental and Kloote Concrete was on-site Tuesday May 2nd to begin demolition followed by pouring the concrete the next day.

The next concrete project will be to replace the concrete at the front door. This is anticipated to start Wednesday May 10th. The entrance carpet has been removed and the concrete will be replaced with Stamped concrete.

On Thursday, May 4th Versatile Roofing began the work to replace the roof membrane on the Octagon Building. This work is anticipated to take a week to two weeks.

Dock and Yard Committee Report Cont.

You may have noticed a piece of construction equipment sitting on the beach. No, this is not a new play structure for kids. Soon T.R. Ghezzi Marine will be performing repairs to the stacked concrete blocks near the Junior beach launch. This should be wrapped up by Memorial Day.

On the weekend of June 30th and July 1st MYC will be hosting the finish of the Queen's Cup race. Dock and Yard is anticipating a very full marina with boats moored, rafted, and docked in as many places as possible. Dock and Yard requesting feedback from slip holders who will be traveling that weekend or who are willing to move their boat to a mooring ball so that we can accommodate as many racers as possible. Please be aware that once racers arrive and begin to raft up in the marina the morning of July 1st it should be expected that slip holders will not be able to get their boats out of the marina. So, if you want to use your boat on July 1st we would recommend moving your boat. Please email Jeff Blum at jeff.blum213@gmail.com if you have any questions or will be able to provide your slip to incoming racers for the day.

Interested in becoming involved with the Dock & Yard Committee? We meet the second Saturday of each month at 9am. Attendance may be in-person or virtual. Contact Jeff Blum at jeff.blum213@gmail.com.

Ice sales are now available! Our new ice chest from Home City Ice was delivered and stocked for the start of the 2023 season. The new chest is now located by the Melges drysail area. Home City Ice purchased Arctic Glacier at the end of the 2022 season and will now be our vendor going

forward. Unfortunately, Home City (the only local ice company now) does not produce block ice at this time. Therefore, we will only be selling 7# bags of cubed ice for the 2023 season. We will continue to search for block ice suppliers, though it is not looking promising.

How to purchase ice at MYC: Due to the new location of the ice chest, bartenders will no longer retrieve a bag for you.

Option #1 - Please let the bartender know how many bags you are going to take from the ice chest and they will add it to your tab.

Option #2 - Self serve via the member charge sales sheet located on the ice chest door. Please clearly write your name (first and last) and how many bags you are taking.

Option #3 - Non club members / reciprocal members must pay with cash or card at the bar, no exceptions.

For your convenience, we will leave the ice chest unlocked for afterhours ice sales. **We rely on the honor system to ensure all ice is properly accounted for.**

Thank you for the cooperation! Let the season begin!!

Kim Nguyen
General Manager

Home City Ice will be rebranding the ice chest logos throughout the year.

Sailing School Committee Report:

REGISTER FOR 2023 SAILING SCHOOL CLASSES

Registration is open and classes are filling up. Register at the MYC Sailing School web site

www.mycsailingschool.com

The Sailing School's Learn-to-Sail classes are designed for both beginner and experienced youth sailors age 6-18.

This year classes will be divided into Beginner and Experienced levels. Our beginner sailors class will be held in the mornings, Monday through Thursday. Experienced sailors will meet in the afternoon.

We will be introducing a STEAM curriculum with hands on learning both on and off the water.

Classes begin June 19th. Please check the website for additional dates.

MYC JUNIOR RACE TEAM

A fantastic way to make lasting friendships and have a great summer is to join the junior race team.

Both experienced and beginner sailors are welcome. Weekly practices and participation in several youth regattas help young sailors improve their sailing skills, build confidence, and learn the importance of personal responsibility as part of a supportive, close-knit team.

Our Junior Race Team also has the opportunity to participate in the Wednesday Night Race Series with the Santana 23, School Bus.

SAILORS MUST BE REGISTERED BY MAY 15 TO GUARANTEE A SHIRT.

The cost to join the MYC Junior Race Team is \$450 and covers 5 regattas, unlimited tiller time during sailing school hours, participation in the Wednesday night series races, as well as weekly practices. Race fee is billed in June. Information and registration for the MYC Junior Race Team can be found on the MYC web site at <https://www.mycsailingschool.com/myc-race-team>

A Blast from the Past Commodore:

As part of a new Portwatch series, I am going to interview all our living Past Commodores to learn more about this great club and how it has changed and thrived all these years. My first interview was on May 3 with Past Commodore Wesley Anderson.

Wes Anderson joined MYC in 1950 and was elected Commodore in 1970. Mr. Anderson took his position very seriously and worked through many issues during his time. He said, "I had a responsibility to the membership when I took office." Wes immediately began working on a formal budget for MYC. He met with a CPA and went line by line on expenses and income. He created a budget, forwarded the budget to the appropriate committees, and held them responsible for such. At that time, the bar offered 25¢ draft beers which was not profitable, and he wanted to change that. He stated they had to get creative on starting some events, such as the Lobster Dinner, as nobody liked the idea of increasing dues at that time – He tried, and it was "shot down."

Wes had regular meetings with committee chairs and head personnel to make sure they had an outline of their responsibilities, how to carry them out, and how to report back on their progress. He once took a week-long vacation from his paying job to paint the entire outside of

the building. He started with a group of guys and completed the project solo a few days later.

Wes also worked very hard in helping to create and maintain organized racing at MYC with most of our competition coming from Spring Lake Yacht Club and White Lake Yacht Club. At that time, we had seventeen International 210's racing at MYC. He is proud of our yacht club races and hopes the Muskegon Yacht Club name will stay alive with more races and regattas, especially across Lake Michigan. Wes had a fleet of his own with a 210, a butterfly, a twelve-foot' powerboat and a twelve-foot' rowboat.

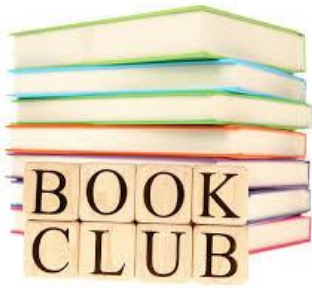

As our time together was closing, I asked Wes, "What advice would you give to the membership?" He stated, "Get involved in a committee – find out what's going on within the club." I also asked Wes if he would have done anything different during his time as Commodore. He answered, "I would have run the kitchen as a professional kitchen, which it was not at that time." He said, "I would have given them more room to work as it is tough to execute a great dinner or event in such a small space."

He then added a small snippet to say he was very, very thankful, and grateful for the wonderful event that we hosted in honor of his 90th birthday in 2021. He loved showing off the club, especially to his Country Club friends, and raved about the food buffet that was prepared for him.

I want to thank Past Commodore Wes Anderson for taking the time to speak with me. I thoroughly enjoyed speaking with him and getting the inside scoop about MYC in 1970.

Thank you,
Kim Nguyen
